

## Does your toddler...

- Seem hard to comfort?
- Have trouble managing his or her emotions?
- Seem withdrawn or uninterested in people or surroundings?
- Seem very irritable, fearful, or angry?

Being able to get along with others, express emotions and explore are stepping stones for young children to healthy social and emotional development. If you have concerns about your child, call *Early On*<sup>®</sup> and find out what you can do. We'll help you find out if your toddler needs special attention. We'll help you find answers to your questions and the support you need, regardless of your income.

Warm and caring relationships are the cornerstone for the healthy growth, learning and development of all children.

**Don't worry.  
But don't wait.**
